

## Directions:

**From Detroit or Jackson:** Take I94 to Ypsilanti exit #183. Go north on Huron Street. Staying in the middle lane, continue approximately 1 mile through three traffic lights. Move into the left lane and it will turn left onto Cross Street just before a fourth traffic light. Continue on Cross Street staying in the right lane through several more traffic lights. Immediately after the water tower (you can't miss it), turn right and go into the Faculty/Staff parking lot. Do NOT park in the Student/Commuter or Guest/Pay lots. The meeting is in McKenny Hall, the three story brick building adjoining the parking lot.

**From Toledo, Flint & Lansing:** Either take US23 to I94 east and follow the instructions from Detroit and Jackson or take the Washtenaw Ave. exit #37A off US23. If you take the Washtenaw Ave. exit (37A), continue east on Washtenaw approximately 2.8 miles to the seventh traffic light. Turn left on Oakwood and right into the parking lots. If you miss Oakwood and get to the water tower (you can't miss it), make two left turns (essentially making a U-turn around the water tower) and turn right into the parking lot. Park in the Faculty/Staff parking lot. Do NOT park in the Student/Commuter or Guest/Pay lots. The meeting is in McKenny Hall, the three story brick building adjoining the parking lot.
